

KEVIN EYRES HAS TRANSFORMED LEADERS AND ORGANIZATIONS AROUND THE GLOBE.

Kevin Eyres is a seasoned hyper-growth leader, speaker and executive coach with a track record for building winning teams, cultures and companies. With more than two decades leading pioneering tech companies, Kevin is a global authority on driving sustainable growth and clear results.

Kevin has left a lasting mark on the tech landscape. He spent more than 10 years as a leader and operator in Europe, where he was at the helm of international expansion for three Silicon Valley companies: LinkedIn, SideStep (now Kayak) and

AltaVista. As LinkedIn Europe's first employee, Kevin led the company from his spare bedroom to IPO. Under his leadership as Managing Director, LinkedIn achieved 100%+ YOY growth and expanded into multiple European countries. This groundwork in carefully crafted culture and hyper-growth strategy still drives results at LinkedIn Europe today.

A prominent member of the Silicon Valley and London tech ecosystem, Kevin is an angel investor in internet companies and a board member for many organizations seeking his expertise on hyper-growth, leadership and international expansion.

LEADERSHIP HIGHLIGHTS

CUSTOMIZED PROGRAMS

Whether drawing from his experience as managing director of leading companies or sharing his innovative leadership philosophy, Kevin leaves audiences **inspired, informed** and **poised to embrace their leadership potential**.

KEYNOTE BEYOND DOUBT

Doubt as Fuel for Leadership Potential

Self-doubt: some use it, some get used by it, but we all experience it. As leaders, this internal battle all too often prevents us from driving innovation within our organizations. In this immersive, customized program, Kevin empowers leaders to transform self-doubt from a roadblock to a powerful tool for influencing and inspiring a culture of innovation.

Kevin inspires audiences to:

- Use doubt as fuel for reaching your full leadership potential
- Embrace Conscious Leadership as you drive sustainable results
- Inspire those you lead to see their true potential, and use empathy to help them reach it
- Recognize self-doubt as a fundamental aspect of your leadership development

Ideal for: Seasoned leaders, CEOs, innovation execs, and any company seeking a culture of innovation; sales kickoffs, big change programs and launch of new programs

KEYNOTE STEP UP

Driving Innovation During Hyper-Growth

We all dream of achieving hyper-growth, but what happens when that day comes? In this engaging, customized program, Kevin uses his experiences at the helm of LinkedIn Europe and other high-growth companies to highlight the common challenges of 100%+ YOY growth and how to best overcome them as a leader.

Kevin empowers audiences to:

- Cultivate Conscious Leadership by viewing themselves as operators, leaders and people
- Use this new perspective to overcome common hyper-growth challenges such as fixing broken systems, cultivating talent and creating organizational priorities
- Step up as leaders who embrace their full potential and help their team do the same
- Achieve sustainable growth and real results amid hyper-growth's rapid changes

Ideal for: CEOs and other leaders or rapidly growing organizations
